

Agenda Item	Noise Mitigation Insulation Program Resolution
Date	May 17, 2021
Submitting Department	Mayor and Interim City Manager
Recommended Action	Review and approve resolution
Strategic Vision Area and Strategy	All
Expenditure Required (amount and source)	NA
Background Information	This resolution language is associated with the proposed Burlington International Airport (BTV) Noise Compatibility Program with funding through the Federal Aviation Administration (FAA). The purpose of this resolution is to highlight City priorities and expectations of the noise insulation improvements. These priorities include; use of acoustical windows and doors, making sure residents understand eligibility requirements, easements and warranties, and making sure communication from the FAA/BTV is strong and reaching our diverse population.
